

# *Sword & Rose Chainmail Creations*

I use chainmail to make jewelry, decorations, pouches, eyeglass chains, pot scrubbers, and much more. I am always expanding what I have.

All finished products are made in the U.S. As these products are handmade expect minor imperfections and variations. Colors will vary due to lighting and computer monitor settings. All sizes and dimensions are approximate.

If you are interested in any of my items you can contact me via Email. Many of my items can be made in larger quantities. I also do custom orders.

I ship to U.S.

Accepted Payment types:

Square (credit cards)

Paypal (for goods and services)
